GYMNASTICS

Vol 1 - September 2026

WHAT'S NEW:

Reminder:

We always try to maintain a clean environment so our gymnasts are comfortable being barefoot in the building. Please don't forget to remove your shoes at the door.

New Coaches:

Xperience hosted a National Coaching Certification Program in August and we are very excited to introduce four brand new, enthusiastic coaches who will be mentoring throughout the Fall session.

Leader in Training Course:

We will be opening our Leader in Training course to the public after a successful first runthrough last year. It's geared towards kids 10+ looking to gain confidence and leadership skills.

FUNDRAISING

We are currently holding a Kernels popcorn fundraiser. If you'd like to order a few bags, please message Hilary Brumpton before September 15: hilarybrumpton@gmail.com
